# TEST CERTIFICATE

**Enhancement of Microbial Growth on Materials to Come into Contact with Drinking water**
**Test pursuant to DVGW Technical Standard W 270, November 2007**

| | |
|---|---|
| **Client:** | Vandex Isoliermittel Gesellschaft mbH<br>Industriestraße 19 - 23<br>21493 Schwarzenbek |
| **Test material:** | **VANDEX CEMLINE PRO WEISS** |
| **Test method:** | Material test |

According to test report **W-324590-20-SI/Krü** of **11.02.2020**, the material **VANDEX CEMLINE PRO WEISS** is conform to the requirements for the use in the area of drinking water systems pursuant to DVGW Technical Standard W 270. Details regarding testing procedure and test results are itemized in the test report.
This test certificate is valid from the date of issue and, given that the conditions and requirements remain unaltered, expires on **11.02.2025**. Upon request of the client, the validity may be extended up to another 5 year term provided that the specifications of Technical Standard W 270 are met.

The Director of the Institute
p.p.

Dr. Ch. Schell
Head of Laboratory
Department of Water Hygiene and Environmental Microbiology

The test results and assessments refer exclusively to the examined test specimens and all applicable statutory regulations. The validity of the document expires in case of modifications in the composition of the material or the processing conditions. This present document may only be published and reproduced unabridged and unaltered. This document is no DVGW certification.
